

**WeGold** is doing an airdrop in collaboration with [AirdropAlert.com](https://airdropalert.com) to build a community and distribute the tokens to a wide network. The cap is 20,000 participants over two phases. Each person will receive 218 WGD (~\$8) in phase 1 and 168 WGD (~\$6) in phase 2. We are offering 58 GWD (~\$2) per friend you refer, no matter which phase.

### **How does the airdrop work?**

You need to follow a few easy steps which includes joining our Telegram, Twitter & Reddit. Please fill in the submission form provided by AirdropAlert and follow the instructions on the page. The airdrop is limited to 10,000 participants and will close once the cap is reached. Joining our community will keep you updated with all events and progress of WeGold for the Token Sale and Airdrop.

### **FAQ**

#### **Q1: What is a phase airdrop?**

Instead of getting an influx of people all at once we try to spread the newcomers over a period of time. This will make it easier for our community managers and admins to communicate with the people interested in Iris.

#### **Q2: Can I join multiple phases?**

No, you will only be eligible for one airdrop phase, not both.

#### **Q3: Can I use my referral code for multiple phases?**

Yes, your referral code will work for all phases.

#### **Q4: How many phases will there be?**

There will be two phases total.

#### **Q5: Will you post a sheet to see if I am registered?**

No, we will not post your information publicly. You will receive a copy of your application through email, which you can edit if needed. Please make sure all the information is correct.

#### **Q6: Where do I find the airdrop form?**

Go to: <http://airdropalert.com/join/WeGold>

#### **Q7: When do I get my tokens?**

Token distribution is after Token Sale in late August of 2018, depending when the token sale ends. If Token Sale is postponed for any reason, we reserve the right to postpone airdrop distribution.

**Q8: When does registration close for the WeGold Token airdrop?**

When we reach 10,000 applicants. We reserve the right to reopen the airdrop at a later date if so chosen.

**Q9: How do I set a Telegram username?**

Please click on the Menu button in top left of your Telegram screen. Select “settings” and set a username.

**Q10: How do I retweet?**

Click the arrow square button under the Tweet, it's the 2<sup>nd</sup> button from the left.

**Q11: How do I subscribe to the Reddit channel?**

Go to: <https://www.reddit.com/r/WeGold/>

Sign in or create an account if needed. Click the “subscribe” button on the right hand side of the page.

**Q12: Which wallet supports ERC20 tokens?**

Compatible Wallets are:

- MyEtherWallet
